## Exercise Facility Reimbursement

As a member of the school sponsored Student Health Insurance Plan at Stony Brook, you (and your covered Spouse) are eligible for partial reimbursement for certain exercise facility fees or membership fees at exercise facilities which maintain equipment and programs that promote cardiovascular wellness.

In order to be eligible for reimbursement, You must:

- Be an active member of the exercise facility; and
- Complete 50 visits in a six (6)-month period.

To obtain reimbursement at the end of the six-month period, You must submit:

- Documentation of the visits from the facility. Each time You visit the exercise facility, a facility representative must sign and date the documentation of the visits.
- A copy of Your current facility bill which shows the fee paid for Your membership.
- A copy of the brochure that outlines the services the exercise facility offers.

Once We receive documentation of the visits and the bill, You will be reimbursed the lesser of \$200 for the Student and \$100 for the Student's covered Spouse or the actual cost of the membership per six (6)-month period. Reimbursement must be requested within 120 days of the end of the six (6)-month period. Reimbursement will be issued only after You have completed each six (6)-month period even if 50 visits are completed sooner.

Memberships in tennis clubs, country clubs, weight loss clinics, spas or any other similar facilities will not be reimbursed. Lifetime memberships are not eligible for reimbursement. Reimbursement is limited to actual workout visits. We will not provide reimbursement for equipment, clothing, vitamins or other services that may be offered by the facility (e.g., massages, etc.).
