# Hydroponic Farming

📍 STONY BROOK UNIVERSITY

# Freight Farms

📍 ROTH FOOD COURT

# Reusable Small Ware Program

# Reusable Small Ware Program

- 161 clubs spent \$9,000 on cups, cutlery, and plates
- 161 clubs spent \$125,000 on restaurant services (served with disposables)
- Idea won the InnovateIt 2019 Best Policy/Grassroots Category
- Next steps
  - Fine tune the analysis
  - Get industry cost figures to calculate how much it would cost to run the program
  - Map out the factors that were not considered - residence hall events, campus sponsored events, sporting events, large scale events.

Renewables/Energy Efficiency

# Renewables/Energy Efficiency

- Will review Climate Reality Project notes and drive
- Will review energy contracts that were sent by Michael Martino
- Will draft some best practices or wishes for the campus
