

Winter 2025 Student Credit Hours by College/School

About these data: These data count credit hours attempted in courses as of the end of term snapshot. Other activity may occur after snapshot, including late enrollments and withdraws. This additional activity is not accounted for in these official credit hour counts. In this report, credit hours follow the subject department of the section that the student enrolled in when dealing with combined sections. This report includes courses offered at West Campus, East Campus, Southampton, Manhattan, Online and Distance Education locations. Advanced College Education (ACE) program registrations, Non-credit activity, and enrollments at SUNY Korea are not captured in this report. These data do not include medical student summer credit activity from the Renaissance School of Medicine.
