Stony Brook University Degree and Certificate Offerings

About this report: This report shows the degree and certificate offerings at Stony Brook University. All programs below are approved by the State University of New York (SUNY) and the New York State Education Department (NYSED). Programs in this list are active as of the Fall 2024 semester. Some completions may occur in inactive programs. New programs may be approved, but not included on this list if they were approved during the semester. Some programs have multiple approved codes based on the type of progam, but are counted as one program - example: MBA programs approved for different credit requirements (36 or 48) have multiple program codes, but are counted as one MBA.

Stony Brook University Degree and Certificate Offerings

About this report: This report shows the degree and certificate offerings at Stony Brook University. All programs below are approved by the State University of New York (SUNY) and the New York State Education Department (NYSED). Programs in this list are active as of the Fall 2024 semester. Some completions may occur in inactive programs. New programs may be approved, but not included on this list if they were approved during the semester. Some programs have multiple approved codes based on the type of progam, but are counted as one program - example: MBA programs approved for different credit requirements (36 or 48) have multiple program codes, but are counted as one MBA.

Level/Program	CIP Code	APES Code	SED Code	Accrediting Body	Count
Molecular & Cellular Biology (Ph.D.)	26.0204	3259	15268		1
