## **SUPPORT THE OLLI PROGRAM!**

OLLI at SBU has enriched the lives of hundreds of Long Island retirees by providing unique educational programs that allow members to learn, to share, and to connect. Over the years, OLLI has expanded dramatically — both in size and scope — and this growth requires additional

resources to enhance our existing programs as well as to develop new ones. Financial support from members as well as private donors will further the Institute's goal of sustaining a vibrant learning community for mature adults.

**If you believe that OLLI has added enjoyment to your retirement, if its workshops and activities have stimulated your thinking and introduced you to new friends, or if you are someone who understands the value of programs for lifelong learners, please make a contribution to ensure OLLI's bright future.**
